On July 1, 2005, Table Top Telephone Company, Inc. filed with the Arizona Corporation Commission revised tariff sheets relating to changes in Lifeline/Linkup rules. We have since found that there should be some revisions to the filing. At this time we would like to retract the July 1st filing. A new filing will be made within the next 30 days which will make Table Top Telephone Company, Inc.'s Lifeline/Linkup tariff in compliance with the new rules.

Enclosed are an original and ten (10) copies of Table Top Telephone Company's retraction letter. If you have any questions, please give me a call at (520) 387-2303.

Sincerely,

Robert A. Grooms
Controller
